

## **FAHRPLANCENTER**

**FAHRPLANCENTER** is closing and no longer sends timetables.

In some cases, however, you can still order timetables directly from the publishers or previous suppliers of **FAHRPLANCENTER**. Please note their terms of payment. In some cases, the timetables can only be sent to customers in the issuing country. Note for customers in Switzerland: There are options in Germany, directly on the other side of the border, to set up a "German delivery address for Swiss"; Information e.g. at <https://www.mypaketshop.com/>. In any case, please note when transferring money (via IBAN/BIC/SWIFT) that you do this in € and at no cost to the recipient! Below you will find the necessary information to order yourself, where this is possible:

### **GERMANY**

**Baden-Württemberg:** the timetable is expected to continue to appear; You can order it on <https://www.bweqt.de/ihr-nahverkehr/service/prospektversand> with VUD at Freudenstadt. Depending on the destination of the delivery, you will receive an invoice with the postage costs incurred. Postage costs of at least € 20.00 are to be expected for Switzerland!

### **GERMANY**

**Nordrhein-Westfalen:** the timetable book will be published for the time being, how long is unknown. Please visit the home page <http://www.vrs.de>; At **VRS : Infomedien - Bestellen** you will find the information for electronic ordering and advance payment. **Shipping only to German addresses!**
